Our staff is dedicated to ensuring a pleasant experience for all attendees, and cooperation with their directives is greatly appreciated.

**Campground Rules:** At ADV Events, the safety and enjoyment of our participants are paramount. All attendees must adhere to the rules outlined by Stagecoach Trails Campground. The maximum camp speed is set at 10 Miles Per Hour, subject to conditions, and any violators will face immediate expulsion. Furthermore, any participant engaging in burnouts or reckless riding will be subject to immediate removal from the event. We maintain a zero-tolerance policy for behavior endangering the well-being of our participants or guests.

**Participant Amenities:** For the safety and enjoyment of all, we kindly request that NO GLASS bottles be brought into the campground common area. Please either retain your glass bottles in your camp or transfer your beverage into a plastic cup. Additionally, burning of treated/painted wood or any materials containing nails is strictly prohibited.

**Drones:** To preserve the safety and ambiance of our events, drones are strictly prohibited at all ADV Events. Any individual found operating a drone will face immediate expulsion from the event.

**Animals & Pets:** While we understand the desire to bring along your furry companions, we recommend leaving pets at home. Should you choose to bring your pet, please ensure they remain leashed at all times. Aggressive pets will not be tolerated, and disruptive behavior may result in your expulsion from the event, with forfeiture of your registration purchase.

**Parking Lots:** Please note that parking vehicles, motorcycles, RV's and trailers is at your own risk. ADV Events cannot guarantee the safety or security of any property left unattended at any site or time.
